The Central Bank of Seychelles wishes to refer to the discovery of Facebook profiles, in the name of the Governor of the Central Bank of Seychelles, Ms. Caroline Abel.

The Bank would like to highlight to the public and media that these profiles are fakes and must in no way be associated with the Bank's Governor who, for the time being, has no official presence on this social media platform in her capacity as Governor and well as at a personal level.

The Central Bank of Seychelles is committed to maintaining the highest level of professionalism in the discharge of its mandate and thus cautions the public to refrain from entertaining any communications from these profiles.
