CBS announces winner of its 40th Anniversary Logo Competition

The Central Bank of Seychelles has announced that the winner of its 40th Anniversary Logo Competition is Mr Dino Philoé.

The announcement and unveiling of the logo was done by Ms Caroline Abel, Governor of the Central Bank, in a short ceremony held on Friday 9 February 2018 at the Central Bank Building. The logo will be used throughout the 40th Anniversary celebrations, alongside the logo of the Central Bank.

The competition, announced by Governor Abel at the CBS Symposium held in December 2017, is part of the calendar of activities to commemorate the 40th Anniversary of the Central Bank of Seychelles on 1 December 2018.

It is also to be noted that the competition is also part of a broader campaign to be run throughout this year by the Central Bank, with the aim of increasing economic and financial awareness of and fostering closer engagement between the Central Bank and the general public.

The panel of judges comprised of members of the organising committee of the 40th anniversary activities of the Central Bank, with the main judge being Mr Andrew Palmyre of AP Designs.

The competition, which ran from 15 December 2017 to 15 January 2018 attracted high-quality logo designs from a total of 25 participants. The Central Bank thanks all the participants who, without their submissions, such a competition would not have been successful.
