

Central Bank of Seychelles

NOTICE

The Central Bank of Seychelles (CBS) will be conducting a survey to gather information on challenges faced by small businesses seeking access to credit.

The findings will help CBS to better understand these challenges, and will be used during discussions with relevant stakeholders to help address the issues highlighted.

The survey will run during the month of July and first week of August 2018.

Micro, Small, and Medium-sized Enterprises (MSMEs), as defined under the Enterprise Seychelles Agency (ESA) Act, will be contacted by CBS staff to participate.

Participation in the survey is voluntary; MSMEs may also contact CBS on 4282000 during working hours or via email: enquiries@cbs.sc if they wish to participate.

CBS is counting on your cooperation and participation.
