

Central Bank of Seychelles

NOTICE TO THE GENERAL PUBLIC

The Central Bank of Seychelles and the Seychelles Banker's Association would like to inform the general public that the Seychelles Electronic Funds Transfer (SEFT) system would be temporarily down, as from close of business, Friday, September 15th, 2017 up to Sunday, September 17th, 2017. This is necessary for essential maintenance and upgrade of the SEFT platform, which facilitates domestic money transfers through a secure online communication between banks. Other banks' online banking platform linked to SEFT system will also experience service interruptions during that period.

Please note that the service will be back to normal on Monday, September 18th, 2017.

The Central Bank of Seychelles and the Seychelles Banker's Association would like to apologise for any inconvenience caused and thank the general public for their understanding.
