TO ALL BANKS

Publication of banks fees and charges

Central Bank hereby reminds all banks that the publication of fees and charges in the local newspaper should be done on a quaterly basis.

Please note that the fees and charges published should portray the current fees and charges applicable. As and when changes are effected in between quarters, the comprehensive list of fees and changes should be published in the local newspaper, clearly highlighting the changes compared to the last publication.

We trust in your co-operation.
